## NOW! ADULT CAT Turkey with Duck

Recommended for: Adult cats 1 to 7 years

### COMPLETE & BALANCED!

Your cat deserves a high quality food not a conventional feed!

As your kitten matures into an adult cat his or her dietary needs will change. To help assure this transition is smooth Now Adult cat formula provides the same great taste by using only fresh meats (non rendered) and fresh human grade oil (non rendered). Developed by qualified nutritionists to meet the dietary needs for all breeds of cats, Now! pet food is the smart choice for your cat's long-term health. Now adult formula assists in annoying hairballs, dry skin and coat, picky eaters, sensitive stomachs and digestion.

Enjoy the real natural aroma of fresh ingredients

Your cat will love it....guaranteed!
